

MacIntyre Academies  
Quest Academy

24<sup>th</sup> March 2021

Dear Parents / Carers

This year at Quest, we are taking part in the National Engage awards programme, which is part of 'engage in their future' National Awards.

School staff members will submit nominations in recognition of learners' progress, achievements and abilities so that they can be celebrated on a national platform alongside their peers.

There are nine core categories available, which recognise all types of progress and achievement. These are:

- Outstanding Personal Progress
- Outstanding Achievement
- Outstanding Personal Resilience
- Good Citizen Award
- Innovation and Creativity
- Team of the Year
- Sports Student/s of the Year
- Success Story

This year at Quest we would like to nominate some of our learners to celebrate their accomplishments in the above areas. All nominees receive a certificate and those who are short-listed for considerable accomplishments are invited to attend the annual National Awards Ceremony, to be presented with their certificate and trophy.

Please see the Engage Awards booklet for more information about 'Engage for life' and the categories listed above.

Yours faithfully,

Ian White  
Maths Lead
