We are writing to gain your written consent for your child to attend these trips. Please could you tick the box in the table above for the trips you are happy to consent to your son/daughter to attend. You may have already consented to trips within a 20-mile radius of school when completing your transition documents, and in this case your consent will be assumed to have been given if this form is not returned.

Once completed, please return to your child's form tutor as soon as possible.

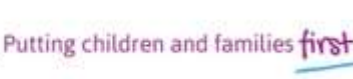

If you have any questions or concerns about the trip, please do not hesitate to contact your son/daughter's form tutor in the first instance.

Thank you for your time and consideration.

Sincerely,

Ryan English
