Dear Parents/Carers,

Thank you so much for your support so far with Home Learning. We have received some excellent feedback and are constantly reviewing our practice in order to provide the best education we can for our learners at home and in school during this time. Acting on this feedback, I have produced a video guide to home learning which will be found on the website from this evening on the Home Learning page.

We hope the learners have enjoyed seeing their teachers' faces or hearing their voices in the recorded lessons produced. Teachers are busy again this week creating exciting learning opportunities ready for Monday.

You can download your child's menu from their class page in the Home Learning tab.

All of the lessons will be linked from the menu.

In order for us to monitor and further tailor our provision, it would be really helpful if you could please complete the Home Learning Daily Log each day they are at home by clicking on this link:

As a further part of our monitoring process, we would like to gather feedback from the first week to help us plan and adapt moving forwards.

Please could you take a few minutes to complete the questionnaire by clicking on the link below:

If you need any access to technology, resources printed or work packs delivered, please contact your child's Form Tutor.

We thank you for your continued support, feedback and positivity in what is a challenging time for us all.

Kind Regards,

Chris Edwards-Dewey
