

MacIntyre Academies Quest Academy

13th January 2020

Dear Parents / Carers,

We are keen to ensure communication about your child is received regularly and effectively. Whilst you entrust them into our care we would like to enable you to have as much of an insight into their day as possible. For this reason we would like to know how you would prefer to be updated.

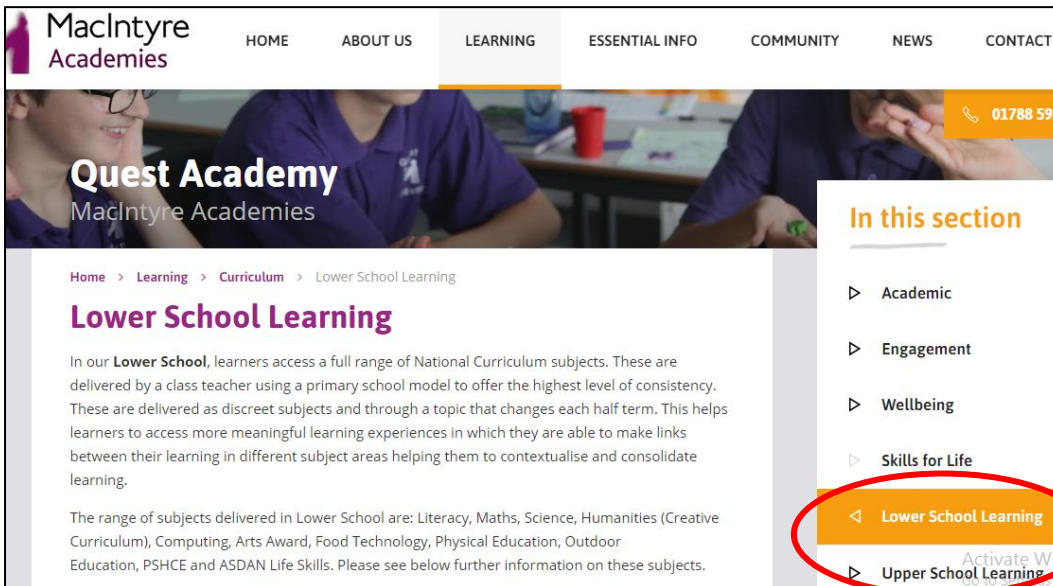

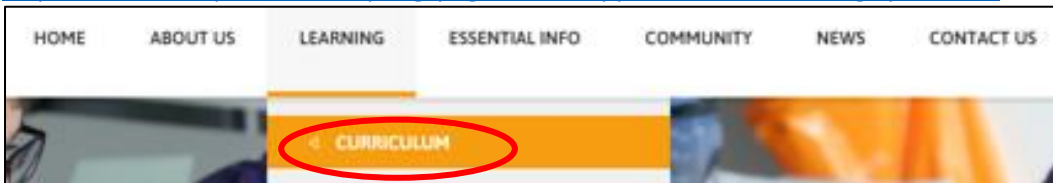

Annually, we send out Data Collection Sheets for you to check, ensuring, as well as other details, that your contact details are correct. In the meantime, it is essential that you make the office aware of any updates. We also like to keep you updated through Tutor phone calls, termly reports about your child's achievements and Parents Afternoons. We are also going to continue to offer Thursday drops ins and we will let you know the timings of this.

Our website hosts a wealth of information that is both interesting and useful. Please visit www.thequestacademy.org to find out more about the following:

To find the Lower School Learning and Upper School Learning plans please go to the Learning Tab, and click on Curriculum (See images below), select Lower or Upper and here you will find subjects split into year groups:

Parent / Carer Name.....

- 1) Preferred method of Communication – please tick and provide contact details if you feel they may have changed.

Email _____

Telephone _____

Letter _____

- 2) We would also like to know how regularly you like communication – please tick below

Daily **Fortnightly**

Weekly **Termly**

- 3) We are also considering investing in an app which will allow you to report your child's absence, this would allow you to send a message to the school rather than have to phone, is this something you feel would benefit your family? One of the benefits is that it responds with absence related helpful links.
