Dear Parent / Carer,

Appointment of New Group Director for MacIntyre

I hope you are keeping well in these challenging times.

I wanted to let you know Kevin Rodger has been appointed to Group Director of Education and Children's Services for MacIntyre. This role includes acting as CEO of MacIntyre Academies - providing support and oversight to the Principals of our schools and strategic direction on behalf of the Trust Board.

Kevin is passionate about the education and life chances of children and young people, is an experienced and confident leader and has an understanding of the range of issues facing Special Schools, Further Education and Children's Social Care.

I have enjoyed this interim role since September and will be handing over for two weeks when Kevin joins us on 1st March. I am confident it will be a smooth transition with very low impact for the schools. If you have any questions, please direct them to your school Principal in the first instance.

Best wishes

Andrew Moran
