Dear Parents/Carers,

I am writing to you to inform you of our Home Learning Plans moving forward for the next few weeks.

Teachers have been working incredibly hard providing onsite provision whilst also creating recorded lessons that will be available starting from Monday as part of our Blended Home Learning provision set out below.

You can download your child's menu from their class page in the Home Learning tab.

All of the lessons will be linked from the menu.

We are in the process of identifying staff and timetables to be able to offer 1:1 live catch-up sessions with our learners who are not accessing in-school provision. Individuals will receive more information about this next week.

**If you need any access to technology, resources printed or work packs delivered, please initially contact your child's Form Tutor.**

We thank you for your continued support and understanding and hope that you are all keeping safe and well.

Kind Regards,

Chris Edwards-Dewey
