

MacIntyre Academies
Quest Academy

Wednesday 22nd April 2020

Dear Parents/Carers,

I am writing to inform you that we are currently in the process of reviewing our **Relationships and Sex Education Policy** (RSE) at Quest Academy and we would love to have your input so that this policy is a reflection of the ongoing collaboration between the school and the families we support. At Quest Academy we firmly believe that working in collaboration with everyone **that has an involvement with our learners is key to our ethos of 'putting children and families first'**. As a school we want to continue to work closely with both learners and families to ensure that their opinions and perspectives are reflected in how we support the learners in school.

Due to Quest being a specialist educational provision, we are able to provide the National Curriculum in a modified format in order to better cater for the needs of all of our learners. However, we are expected to offer all pupils a curriculum that is similar to the National Curriculum including requirements to teach science which would include the elements of sex education contained in the science curriculum.

In line with our ethos of 'putting families first', Quest would like to get the input of the parents/carers of all of our learners so that we can continue to monitor, review and increase the impact of sex and relationships education in the school curriculum.

We would be very appreciative if you would read and review the Relationships and Sex Education Policy attached to this email and complete the form attached to this letter so that we can more effectively tailor our Policy, as well as our modified curriculum for delivering sex and relationships education for your son/daughter. In gathering this information from yourselves we will endeavour to ensure that this feedback is reflected in the review and the re-writing of the Relationships and Sex Education Policy.

We look forward to receiving your input by **Monday 4th May** as we believe that your input will have a positive impact on the delivery of relationships and sex education at Quest Academy. We thank you in advance for your support on this matter.

Yours sincerely,

Ryan English
