RE: Y11 - Supporting you and your child in their transition from Quest Academy to college/workplace

Dear Parent/Carer,

Your child's next step is an exciting time. They are embarking on a new journey and making decisions about their education and future careers. I am also aware there may be questions that you as a parent/carer may have, whether it's about choosing the right course, or what your child should expect from college/work life. Whatever your queries, we are here to help. I will be running an information evening here at school on **Wednesday 12th October, 3.15 – 4.30.**

Format of the evening:

- Refreshments in reception from 3.15 till 3.30
- Presentation 3.30 till 4.00
- Informal question time 4.00 till 4.30

Apprenticeship presentation

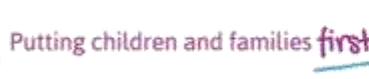

Quest Academy is proud to offer support and guidance for every child going through the 'Transition' process. There is more than one route to success and we will be discussing a range of pathways including Diploma and BTEC courses, Vocational programmes, Apprenticeships and Internships. These different pathways are designed for all talents and abilities and can lead you into employment. The Internship and Apprenticeship routes are a great option for young people who may be interested in taking their first steps into a career. It is an opportunity to gain hands on experience in the workplace, learn new skills and gain a nationally recognised qualifications and training, and in some cases earn a wage. The evening will provide the information you will need to enable a steady transition and inform you of the fantastic opportunities that are available in the Warwickshire/ Worcestershire area.

Please don't hesitate to contact me if you require any further information.

Yours faithfully,

Emma Butterworth

ACE, Events and Transition Lead
