WELCOME

Dear Parent/ Carer,

It is hard to believe that there is only two weeks to go before the end of the term!

As you can see from the pictures on pages 6 and 7 the Y11 learners enjoyed taking part in a range of activities in the last week. The Prom (page 4) was a huge success and enjoyed by everyone who attended. Thank you to all the staff that helped make this event so special.

The school council continue to work hard and are instrumental in the school's development and have represented the school in a number of meetings recently, thank you to Lauren and Matthew who represented the school at the Youth Board Meeting. We have received very positive feedback from the different people who have met with them. Well done.

Congratulations to the football teams who performed well in the local tournament a couple of weeks ago. They should be very proud of their achievements and in particular for being fantastic ambassadors of the school.

Kind regards,

Nicola Wells

The Girl Who Fell Beneath The Sea

by Axie Oh

The best kind of book is the one that allows for escape, an adventure into another world where reality gets left long behind. As the Godfather of Fantasy Neil Gaiman wrote, “Books make great gifts because they have whole worlds inside of them.” Rarely has that been as true as this novel, which is quite simply magical.

Mina’s village live at the mercy of the Sea God. Once their protector, he now curses them with death and despair. In an attempt to appease him, each year a beautiful maiden is thrown into the sea to serve as the Sea God’s bride, in the hopes that one day the “true bride” will be chosen and end the suffering.

Mina wasn’t meant to be this year’s tribute, but she sacrificed herself to protect the great love of her brother’s life. Swept away to the Spirit Realm, a magical city of lesser gods and mythical beasts, Mina finds the Sea God trapped in an enchanted sleep. She sets out to bring an end to the killer storms once and for all. But she doesn’t have much time: a human cannot live long in the land of the spirits. And there are those who would do anything to keep the Sea God from waking...

A soundbite for selling this book would be ‘*Spirited Away* with YA themes’ and it would be an accurate pitch. There’s a brave and bold female protagonist, a mysterious man who may be friend or foe, monsters lurking ready to strike and a quest to solve to save those she loves. But that doesn’t quite do justice to how immersive and well-rendered the world building and characterization is within this feminist retelling of the Korean folk story *The Tale Of Shim Cheong* is. Reading this book is so transportive, it’s as if you are right with Mina as she braves what lurks beneath the sea. She’s a character you easily root for – determined to take control of her own fate and powerful in the choices she makes to ensure it happens.

We are successful because;-

...the mother of one of our learners said that he has had many wonderful experiences due to the support from the Quest Academy staff team. She said that her son is achieving more than she thought was possible.

...the mother of one of our learners said that her daughter is doing much better than she had hoped, with taking and achieving academic qualifications, as well as her general progress.

...the mother of one of our learners said that she is pleased with the consistent support between the Quest Academy staff team and family as this supports his resilience.

TRAVEL TRAINING

Do you know a young person with SEND who is eager and enthusiastic, who might benefit from Independent Travel Training? Students that hold an EHCP may be eligible to enrol on a travel training program.

The training aims to help young people travel independently and can increase their overall confidence and self-esteem, as well as help them to prepare for adulthood. It can also benefit parents and carers, giving them peace

of mind that their child or young person is able to travel safely on their own.

Training will take place once a week over the course of 9-12 weeks and will offer:

- 1:1 personalised travel trainer support
- Road and personal safety skills
- Journey planning
- Time and money management
- Emergency strategies around travel

These skills can then be transferred into their everyday lives and future enabling them to access more opportunities such as going out with friends, transitioning to college, work placements etc

The young person must be a Warwickshire resident, have an Education, Health and Care Plan and be between the ages of 11-25. You can [find the full criteria and application form online here](#).

This only takes a couple of minutes to complete. Once a referral is submitted one of our team will be in touch to discuss the next steps.

Journeys must be from the young person's home to their school/college/work placement/training provider by using public transport within Warwickshire.

Schools and colleges can make a referral for a student who meets the eligibility criteria using the referral form available on the [SEND transport webpages](#). Before a referral can be made, prior consent must be provided by the individual, or the parent/carer if the individual is under 16 years old.

If you would like any further information, please get in touch at tt@warwickshire.gov.uk.

We are look forward to hearing from you

RECYCLING

Thank you so much for all your donations, please keep collecting your washed out items for recycling and sending them in. The more we collect, the more points we earn that can go towards purchasing supplies.

*Reminder, we can supply pod back bags for the recycling of coffee pods. We have had 2 big boxes of 7 bags so far!

We can also reuse ice cream tubs too!

ATTENDANCE

At Quest Academy, we seek to ensure that all our learners receive a full time education which maximizes opportunities for each learner to reach his or her true potential: we feel that good attendance (95% or above) and good punctuality too are a vital part of this and we want all learners to strive towards this.

Government statistics have proven that children with poor attendance are 47% less likely to meet their potential examination results compared to learners with good attendance.

We have a desire to strive towards 100% attendance for all of our learners and expect all parents / carers to actively support us in ensuring that their children are in school, safe, at all times. We also aim to hold all parents / carers that give low priority to good school attendance accountable.

LATENESS

Pupils must attend registration on time to be given a present mark. Registration starts at 08.50am until 9am. Arrival after the start of morning registration will be given an 'L' code. After 9.30am a 'U' code (unauthorised absence) will be given.

**EVERY
SCHOOL DAY
COUNTS**

WHEN THE SUN IS SHINING:

As well as remembering to bring in **water bottles** please consider how sun can affect in other ways. Please can we ask parents/carers to ensure that **sun cream** is applied before learners arrive at school and bring a **hat/cap** if possible.

We do have sun cream on site to apply again at lunch time, providing consent form received.

FREE SCHOOL MEALS

If your child is eligible for Free School Meals (FSM) please apply via the online application form using this link www.warwickshire.gov.uk/freeschoolmeals

For learners currently on our FSM list you do not need to reapply - (new learners will need to let Warwickshire Council know they have transferred).

Department
for Education

SUMMER 2023 - HOLIDAY ACTIVITIES & FOOD (HAF)

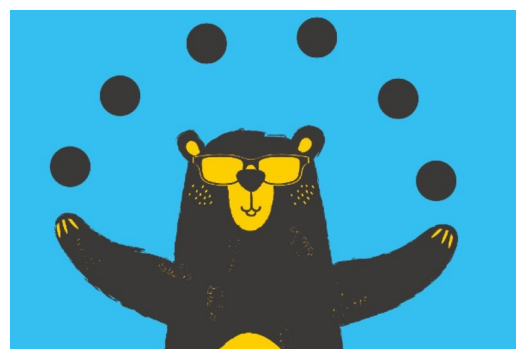

Dear Parent/Carer,

The Department for Education (DfE) funds the Holiday Activities & Food (HAF) programme across the United Kingdom. At its core, HAF provides young people the opportunity to access enriching activities alongside healthy meals over the **main school holidays at Christmas, Easter & Summer**.

Please note that this programme is entirely separate from the Local Welfare Scheme's household support funding (i.e. supermarket HUGGG vouchers).

Each eligible young person (in full-time education from Reception to Year 11 who receives benefits-related free school meals) with a HAF code can access a maximum of **16 sessions** over the summer holidays. Families have the flexibility to book with multiple activity providers if desired. All providers can request additional funding for 1-to-1 support if this is required, however this will depend on their staff availability and qualifications. We do have a number of SEND-specific activities which may be a more suitable option.

Eligible families need to request a HAF Code via a brief online form. This can be found at <https://searchout.warwickshire.gov.uk/holidays-activities-food-haf> or you can scan the QR code below. HAF codes are valid for the academic year, so if you've had a HAF code at Christmas or Easter, the same code can be used. If you need codes to be re-sent, just send us an email via hafprogramme@warwickshire.gov.uk

For families not in receipt of benefits-related free school meals, we can release a limited number of HAF codes for each delivery period. A separate referral form will need to be completed on behalf of your family, if you're facing a significant financial barrier and one (or more) of the following criteria apply:

- Have an allocated family support worker or social worker
- On an open early help plan
- Your child(ren) acts as a young carer

The referral form is available upon request from a professional/allocated worker on hafprogramme@warwickshire.gov.uk

Summer activity listings will be available online from Monday 12th June. Contact providers directly to discuss booking.

Scan the QR code below to visit the HAF website.

Thank you for your continued engagement with the Warwickshire HAF programme. Please contact us directly if you have any queries related to the HAF scheme.

Please contact Reception if you would like to speak with a member of staff. You will either be transferred or reception will email the member of staff to let them know that you have called.

Reporting pupil absence and lateness:

If your child is absent for more than 7 days you will need to provide a doctors certificate. If we do not receive a doctors note and have not seen your child we will have no alternative but to refer the matter to the Safeguarding Board in line with our safeguarding procedures.

Please can we remind parent/carers to call school on 01788 593 112, before 9am if your child may be late or is unwell.

You will also need to contact the taxi company to let them know.

PRIVACY NOTICE

MacIntyre Academies collects and uses pupil information which complies with General Data Protection Regulation (GDPR). This is Europe's framework for data protection laws – it replaces the previous 1995 data protection directive, which UK law has previously been based upon.

You can read the full details of our [Privacy Notice](#) in the policy. This includes more details of our legal basis for the use of specific information.
