

# Our New School...

QUEST ACADEMY - RUGBY

It's getting close now...

- This is the sign that greeted us at the site entrance...and the excitement started to build from there...

# From a distance...

- This is the view across the car park to our new school, with Rugby Free School in the background...

# Going inside...

- This is the “visitor” entrance... pupils will have their OWN entrance!

# Reflection on reception...

- ▶ Whilst there are reflections in the glass, you can still see a welcoming professional reception area for the visitors to our academy...

# What can I get you?..

- Look at the beautiful display units at the back of our cafe...Lots of space to sell things we make and upcycle whilst having a cuppa.

# A comfy seat?..

- Our bathrooms have modern fixtures and fittings with lighting and extraction and lots of space...Don't get too comfy sitting in there!

# Inside to outside...

- ▶ Take a look at our secret garden in the centre of our school. Water features, plants, murals and AstroTurf to come!

# This will keep you fit!..

- Yes you may need to use your imagination here a little but this room will be our indoor exercise facility, with running machines and rowing machines. Through this door it leads to our boardroom for meetings!

# Which way now?..

- Our school is built on a large triangle and we are standing at a corner here...looking down one corridor as we walk down the other!

# Hello and goodbye pupils entrance!..

- This is the view as pupils enter each day!

- This is the view as pupils leave each day!

# Need a lift?..

- ▶ for those pupils that will struggle to climb stairs, we have our own academy lift!

# Spacious spaces?..

- Our corridors are wide, light, with anti-scuff walls to the sides, perfect for moving between classrooms and beautiful and quiet during lessons !

# Get lost!.. in a good book!..

- Our library area with soft seating and natural light is a perfect place in which to grab a book and get lost for a while!

# Look how organised we are!..

- Most of our teaching spaces have a “teacher wall” complete with desk, screen and storage!

- Teaching materials
- Student essentials
- Secret chocolate store

# Lovely laboratories!..

- Great sized Science lab with professional storage being fitted out for some great lessons to come!

# Look out the window!..

- Our academy has some beautiful views!.. This window looks out on hard and soft play areas. Can you spot the local water tower?

# Ground force!..

- Our outdoor spaces have been beautifully designed and landscaped to provide a range of outdoor play options.

# Hello hospitality!..

- Our pupils will have a superb kitchen to develop their skills in food, hospitality and catering!

# Lunchtime and learning!..

- ▶ This huge facility where lunch can be accessed from the counter will be great for assemblies and visitors too. Not only that, we can divide the space in half to create 2 more learning spaces!

# Our colour palette!..

- ▶ Much thought and care has been exercised to ensure that the colours of the academy are welcoming and yet calm so that pupils, visitors and our staff feel that they have entered something special!

- ▶ Lift me up lime

- ▶ Lovely Lilac

- ▶ Grow-on-me grey

# Senior staff spaces!..

- ▶ Whilst our senior staff support the whole of the building, they also have designated spaces...though they should be a little tidier than this!

# Feeling creative?..

- Plenty of space, wonderful storage, natural light, great views...what's not to love about our art room?

# Pupil classrooms!..

- Most classes will be up to 8 pupils with their teacher...looks like that fits perfectly with space for so much more!

# Staff need to work, rest and play!..

- ▶ With a staff “work room” on the left and a “staff lounge” on the right, we know the importance of looking after this great team!

# Look at what our sixth form have!..

- ▶ A classroom, a kitchenette, a social space – perfect for our young adults to spread their wings!

# I.T for all!..

- ▶ This classroom is being equipped with trunking to support an ICT room which will be of benefit to all lessons and pupils.

# Look at our beautiful building!..

- ▶ Clean lines, sympathetic design and modern styling has given us all an academy to be proud of...and we fully intend to keep it looking this way too.

# Can't wait to join us?..

- We very much look forward to welcoming you to our wonderful new academy...see you in September!
