

Upper School Optional Home Learning Autumn 2020

Themes: Great Britain/ Enterprise

Here is your choice of Home Learning tasks.

From the activities below, you need to choose 4 to complete over the whole term. The expectation is that you will put in care and effort and complete it to the best of your ability. You can present your work in an appropriate style of your choice – a poster, model, booklet, diagram, leaflet etc. and it may be word-processed or completed by hand. We look forward to seeing your work!

<p>Maths Manga High</p> <p>Learners have a log in and can access the Maths games at home. They can choose three games, record their best scores and bring these in as evidence. Learners are not expected to spend more than 30 minutes a week on this.</p>	<p>Science:</p> <p>Design a new form of transport and label to show the materials you would use, using the periodic table of elements.</p> <p>OR</p> <p>Draw and label a diagram of a plant cell and explain how the process of photosynthesis works</p>	<p>English Lexia:</p> <p>Learners have a log in and activities are set for their reading level. Learners are not expected to spend more than 30 minutes a week on this.</p>
<p>Geography:</p> <p>Draw and label a map of Great Britain, showing key cities and population centres.</p> <p>Quest Challenge: Can you add and label some of the most well known landmarks in Great Britain?</p>	<p>Free Choice</p> <p>What else are you interested in? The choice of task and the way you do it is up to you. How creative can you be?</p>	<p>Art</p> <p>Create a picture using any media form, following the theme of 'Great Britain'. Could be a picture of a famous British landmark, or a collage of British images.</p> <p>Quest Challenge: How would your artwork make the viewer feel? Why?</p>
<p>Food Tech</p> <p>Enterprise: Find a recipe for something that you could make and sell as part of your enterprise. Work out how much the ingredients would cost and how much you would sell them for. Evidence: Poster/Photos/Plan</p> <p>Quest Challenge: Cook the recipe and get feedback from those at home</p>	<p>Modern Foreign Languages:</p> <p>Learn the names of items on your shopping list in French or Spanish. Create a new shopping list in your chosen language.</p>	<p>Life Skills- Careers</p> <p>Think about a career that you might want to go into after you have finished education. Research the skills required to do the job you have chosen and create a factsheet about it.</p> <p>Quest Challenge: Can you compare two different jobs?</p>

Upon completion of 4 activities you will be rewarded with an EMPATHY point for each to go towards your class EMPATHY total!
