Dear Parent/Carer,

Above you will find the Blended Home Learning menu for your child to help continue their education whilst not in school. For each teacher created lesson you will find a link to enable you to download the lessons and resources. Some have been created as video lessons and others are PowerPoint lessons.

The links to the Oak National Academy and BBC Bitesize pages have been chosen for the learner's current class.

If you need easier or more challenging lessons, you can navigate to the year group above or below.

- The **weekly assembly** is on the main Home Learning page.
- Please contact your Form Tutor **if you have lost your logins** to Lexia and Manga High or if you require **any additional work** during the week.
- If you need any **resources printing**, please let us know and we will send them out to you.

Please can you complete the Home Learning Daily Log by clicking on the link below. This allows us to track engagement and progress.

Also any work completed can be sent into school via email to the Form Tutor or by post to the school office (we will provide a stamped envelope on request) and teachers will provide feedback.
