Quest Academy opened in 2017— a specialist school for 80 children and young people (9-19yrs) who have social, emotional and mental health needs and / or an autistic spectrum condition.

Due to high levels of demand, MacIntyre Academies Trust intends to lower the age range for the school to accommodate 6 children in Year 3 and 4 (12 in total) from September 2019 and increasing the total pupil numbers to 100.
