

Upper School Optional Home Learning Autumn 2019

Themes: Media/Relationships

Here is your choice of Home Learning tasks.

From the activities below, you need to choose 4 to complete over the whole term. The expectation is that you will put in care and effort and complete it to the best of your ability. You can present your work in an appropriate style of your choice – a poster, model, booklet, diagram, leaflet etc. and it may be word-processed or completed by hand. We look forward to seeing your work!

Upon completion of 4 activities you will be rewarded with an EMPATHY point for each to go into a separate home learning draw to win a £10 voucher.
