Complaints Policy and Procedure

Quest Academy with support from the Local Advisory Board (LAB) have drawn up the following complaints procedure in the belief that it is important that parents and others are clear about the procedures to be followed in making a complaint and with the assurance that any complainant will be dealt with sympathetically and speedily.

Certain types of complaint are subject to statutory procedures that are separate from this general complaints procedure. These include:

- Admissions;
- Exclusions;
- Freedom of Information & Data Protection;
- Child Protection/Safeguarding;
- Statements of Special Educational Needs and EHC plans;
- Complaint by a member of Quest Academy staff.

This procedure should be read in conjunction with the DfE Guidance: Academy Complaint Procedure. <https://www.gov.uk/complain-about-school>

Aside from the areas set out above, this procedure applies to any matter which has been raised with Quest Academy as a matter of concern but which has not been capable of resolution informally and which the complainant or Quest Academy considers should be dealt with on a formal basis. Generally, it is expected that where the matter relates to a child/young person it will have been raised with the child's/young person's class teacher and a senior leader before a request is made to deal with it under this policy.

It is a precondition to the operation of this procedure that the complainant shall have made reasonable attempts to seek an informal resolution as set out in Step 1 below and shall have acted in relation to the matter in a reasonable and measured way. The LAB Chair shall have a discretion, which will be exercised reasonably, not to allow a complaint to be pursued where this precondition has not been met.

All formal complaints will be brought to the attention of the CEO by the relevant Academy leader.

All decisions and outcomes of any investigations will be reported to the LAB and a written record is kept of all complaints whether resolved at the preliminary stage or proceed to a panel meeting.

Correspondence, statements and records relating to individual complaints will be kept confidential except where the Secretary of State or a body conducting an inspection under section 162A of the Education Act 2002 requests access to them.

Our Complaints Procedure

We believe there is a free flow of information between home and the Quest Academy but recognise there may be times when misunderstandings arise, you may be concerned about aspects of your child's progress or you may be unhappy about a particular event or activity which you have heard has taken place. In any event it is important you do not keep a problem or concern to yourself but approach Quest Academy.

Step 1 – (a) Informal discussion with the Form Tutor / Teacher

Before making a formal complaint, you must be clear about your concern and discuss this with an appropriate member of staff.

The first point of contact for a specific concern should always be the appropriate teacher. If you are

not sure who is most appropriate, explain your concern to your child's class teacher, who will be able to suggest whom it is best to speak to.

It is preferable if you can agree a time and place to discuss your concerns in peace and quiet rather than at a time when the teacher is possibly surrounded by other children and/or parents. This could be a telephone conversation at an agreed time.

We would expect most problems to be resolved in this informal way by a frank and open discussion, free from distraction.

Please remember that all our members of staff wish to help reassure you by listening to you and helping you to meet with the most appropriate person.

Step 1 (b) – Informal discussions with a Senior Member of staff and / or the Quest Academy Principal

Sometimes you may still feel dissatisfied with the outcome of your discussions and want to discuss the matter further with a Senior Member of staff or Quest Academy Principal. If you are in this situation you may wish to make an appointment with the appropriate person. An appointment will be arranged as soon as possible (usually within 10 working days).

Step 2 – Formal Investigation

If, following your informal discussions you remain dissatisfied you must put your concerns in writing to Quest Academy Principal. You must set out briefly the facts and what you consider should have been done or where Quest Academy has not met reasonable expectations. There is a form attached (Appendix 1) which may help you do this.

An investigation will be carried out by a member of the Senior Leadership Team - made up of the Principal, Deputy and Assistant Principals and Operations Manager- who may offer you a meeting and who will speak to others involved. Whenever reasonably possible, the meeting with the complainant will take place within 15 working days of the written complaint being received.

The investigator will put her/his findings in writing and will indicate what, if any, steps should be taken to resolve the matter. Whenever reasonably possible, this will be done within 15 working days of the meeting with the complainant.

Please Note : Any complaint relating to the Quest Academy Principal must be raised in the first instance with the CEO of MacIntyre Academies (or the chair of the LAB) who will, if an informal resolution cannot be reached, designate a Trust leader to investigate in the same way as in the first stage of the formal process outlined above.

Step 3 – Formal investigation by the Trust

If the problem cannot be resolved at Step 2, you may request the complaint be considered by the Complaints Panel of the Local Advisory Board which will comprise of at least 3 people and which will include one person who is independent of the management and running of the School.

3 (a) The complaint must be in writing, addressed to the Clerk of the Local Advisory Board and be sent within 10 school days of the investigation response at Step 2. The complaint should set out precisely why you are dissatisfied and what you wish to be done.

3 (b) The Clerk will invite the School to put in writing its response to the complainant's reasons. The School will do this within 15 school days and at the end of that period (whether or not the School has responded) the Clerk will convene a meeting of the Complaints Panel of the Local Advisory Board. That meeting will be held as quickly as practicable given the need to find a date that is reasonably convenient for the complainant, the School and the members of the Panel.

Whenever possible, the meeting will be held within 15 school days of the end of the School's response time. At any meeting, the complainant will be entitled to be accompanied by a friend but legal representation will not be allowed.

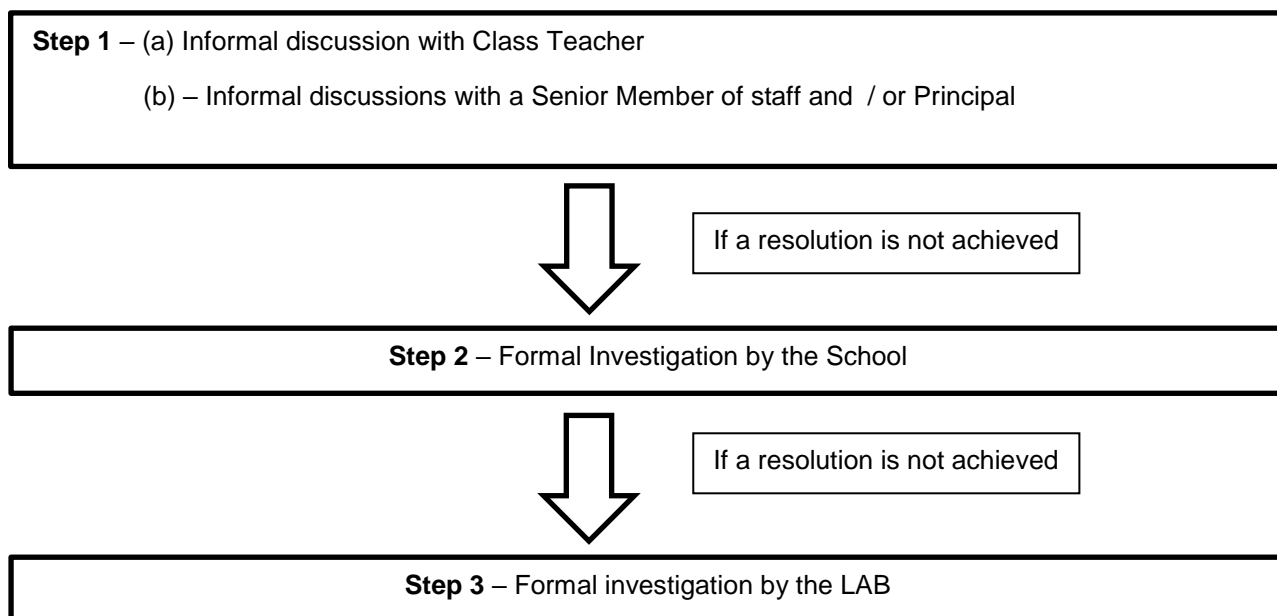

3 (c) The Panel meeting will be structured but relatively informal. The process will be explained to you in advance of the meeting. New issues may not be raised at the meeting.

3 (d) The Panel may make findings and recommendations and a copy of those findings and recommendations will be;

- (i) Sent by electronic mail or otherwise given to the complainant and, where relevant, the person complained about
- (ii) Available for inspection on the Academy premises by the Academy Trust.

3 (e) The Panel will formulate its response as quickly as reasonably possible, aiming to do so within 10 school days of the meeting concluding, and the Clerk to the Local Advisory Board will notify all concerned.

3 (e) The Panel will formulate its response as quickly as reasonably possible, aiming to do so within 10 working days of the meeting concluding, and the Clerk to the LAB will notify all concerned.
