

Upper School Optional Home Learning Spring 2020

Themes: Creativity/ Technology

Here is your choice of Home Learning tasks.

From the activities below, you need to choose 4 to complete over the whole term. The expectation is that you will put in care and effort and complete it to the best of your ability. You can present your work in an appropriate style of your choice – a poster, model, booklet, diagram, leaflet etc. and it may be word-processed or completed by hand. We look forward to seeing your work!

Upon completion of 4 activities you will be rewarded with an EMPATHY point for each to go into a separate home learning draw to win a £10 voucher.

Maths Manga High Learners have a log in and can access the Maths games at home. They can choose three games, record their best scores and bring these in as evidence. Learners are not expected to spend more than 30 minutes a week on this.	Science: Find out how a plug is wired and draw a labelled diagram to help someone do it correctly OR Draw a diagram of a plane in flight and label the different forces that are acting upon it.	English Lexia: Learners have a log in and activities are set for their reading level. Learners are not expected to spend more than 30 minutes a week on this.
Life Skills: Plan and conduct a trip using public transport. Make sure you know the timetable and costs of your trip. Can you write instructions to help someone else take the same trip?	Free Choice What else are you interested in? The choice of task and the way you do it is up to you. How creative can you be?	Food Tech: Healthy Lifestyles: -Keep a food diary for a week and then talk about whether or not you could make your diet more healthy. Quest Challenge: Plan and cook a healthy meal of your choice.
Art/Creativity: Create a piece of art using any media form, following the theme of 'Technology'. Could be a design for a new type of technology, or a collage of technological images. Quest Challenge: How would your new technology change the world for the better?	Modern Foreign Languages: Find out how to order your favourite things in French or Spanish. Eg. Ordering pizza, asking for an ice cream. Create a short leaflet to share your learning.	Geography: Research the Seven Wonders of the Ancient World. Can you create a map to show where in the world you would find them? Quest Challenge: Are there any examples of modern creativity you could add to your map?
