

Quest Academy PE Premium expenditure 2023/24

Intent

As a school we continue to manage our budgets in the most effective way possible, and to redirect the existing resources to best support all our learners, to best utilise the PE Premium Fund

The intent of PE at Quest is: The engagement of all learners in regular physical activity – kick-starting healthy active lifestyles, the profile of PE and sport being raised across the school as a tool for whole school improvement, increased confidence, knowledge and skills of all staff in teaching PE and sport, Broaden the experience of a range of sports and activities offered to all learners and to increase the participation in competitive sport.

Implementation

All learners will receive high-quality PE lessons each week during curriculum time. Increased participation in sporting activities both in school time and extra-curricular. Increased levels of activity at playtime and lunchtime. Implement extra-curricular sport clubs.

Display PE curriculum activities, extra-curricular activities and competition results both in school and on the weekly newsletter. High quality teaching in PE lessons to ensure learners are active and progressing. Improvements in the play equipment and play areas around the school. To implement competitive matches against other schools as well as internally on sports days.

Support teacher through CPD across a range of sports and areas to allow for increased confidence when teaching. CPD rolled out to all staff on the safe use for the school gym so they can use effectively and safely with learners. HLTA PE teacher given planning of PE units by providing ready-made plans which can be adapted.

Swimming lesson for learners to try and achieve the statutory 25 metres proficiency. As part of the 'Ready for Life' mantra of the school we are looking to implement a cycling proficiency course within the school grounds and have contacted a range of clubs: Rugby and Football to work with us to provide a range of weekly experiences such as participating in weekly matches against other SEN schools.

We will also organise a range of experience days in the Summer Term to support our learners understand the different opportunities available to them in the local community thereby promoting and encouraging them to lead healthy lifestyles.
