

## Quest Academy PE Premium expenditure 2024/25

### Intent

As a school we look to continue managing our budgets in the most efficient way possible, and to redirect the existing resources to best support all our learners and to best utilise the PE Premium Fund

The intent of PE at Quest is: To encourage the engagement of all students in regular physical activity – encouraging healthy active lifestyles, the profile of PE and sport being raised across the school as a tool for whole school improvement, increased confidence, knowledge and skills of all staff in teaching PE and sport, Broaden the experience of a range of sports and activities offered to all learners and to increase the participation in competitive sport.

### Implementation

All learners to receive high-quality PE teaching each week during curriculum time. Increased participation in sporting activities in school time. Increased levels of activity at playtime and lunchtime. Implement external agencies coming in to coach in their area of sporting expertise.

Display PE curriculum activities and competition results both in school and on the weekly newsletter. High quality teaching in PE lessons to ensure learners are active and progressing. New lunchtime equipment to be brought when necessary to enable active engagement in the MUGA. To implement competitive matches against other schools as well as internally on sports days.

Support teacher's through CPD across a range of sports and areas to allow for increased confidence when teaching. CPD rolled out to all staff on the safe use for the school gym so they can use effectively and safely with learners. PE teacher given planning of PE units by providing ready-made plans which can be adapted.

Swimming lesson for learners to try an achieve the statutory 25 metres proficiency. With the aim to meet the following targets.

Pupils within our year 6 cohort can swim competently, confidently and proficiently over a distance of at least 25 metres
Pupils within our year 6 cohort can use a range of strokes effectively
Pupils within our year 6 cohort can perform safe self-rescue in different water-based situations

As part of the 'Ready for Life' mantra of the school we are looking to implement a cycling proficiency course within the school grounds and have contacted a range of clubs: Rugby- (Coventry Rugby club) and Football -(SIFA Get game ready) to work with us to provide a range of weekly experiences such as participating in weekly matches against other SEN schools.

We will also organise a range of experience days in the Summer Term to support our learners understand the different opportunities available to them in the local community thereby promoting and encouraging them to lead healthy lifestyles.
